

The Future of Innovation: From Idea to the Global Project

Anna Trifilova

Co-catalyst, Co-creator, Co-founder, Co-weaver ...
Passionate of the *Future of Innovation* project

Global thinking on what the **Future of Innovation** to be

the book | the website | the community

KNITTED BY

The Future of Innovation

Bettina von Stamm
and Anna Trifilova

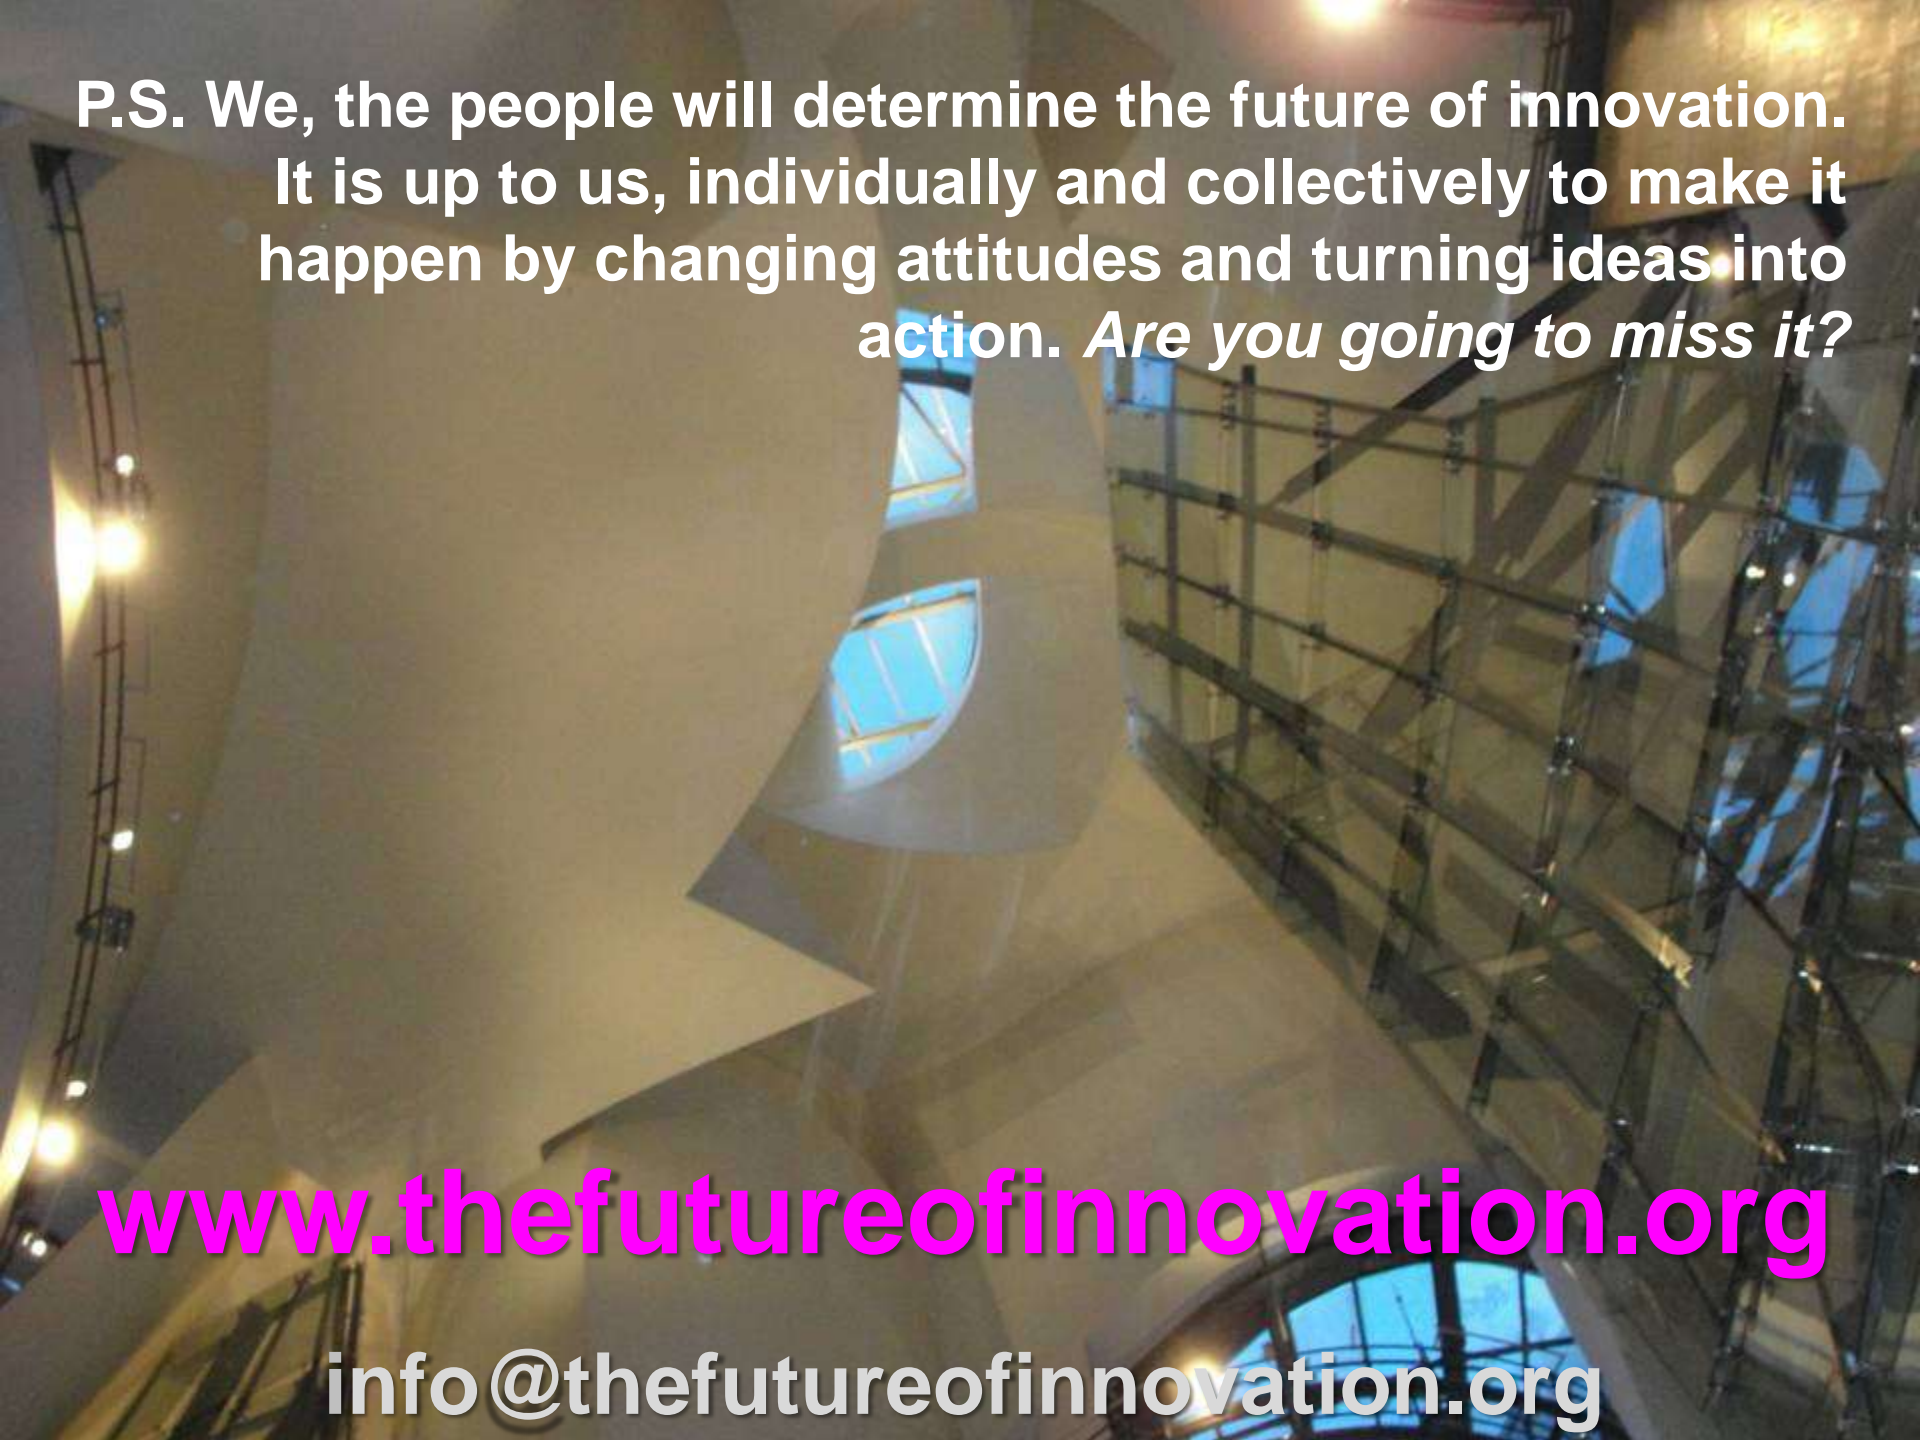

www.thefutureofinnovation.org

All the treasure has been packed

– now the real journey begins!

**P.S. We, the people will determine the future of innovation.
It is up to us, individually and collectively to make it
happen by changing attitudes and turning ideas into
action. *Are you going to miss it?***
