

## **2015 ELECTIONS TO THE TII BOARD OF MANAGEMENT**

**Elections will be held at the 2015 AGM for 4 places  
on the TII Board of Management**

Candidates, who are directors/employees of TII member organizations, are invited to stand for election for one of the four vacant seats on the TII Board of Management. Board members are elected as individuals and may not, for example be represented by a substitute or other nominee at Board meetings.

The TII Board meets twice a year, immediately prior to the AGM in the spring and again in the autumn. It conducts its business in English. All Board members are expected to attend both meetings. Travel and accommodation expenses incurred in connection with the autumn meeting are currently reimbursed.

Board members are expected to take responsibility for a key association activity, e.g. membership development, training, running a special interest section, conference programme, etc. and candidates are invited to express their key interest in their letter of motivation.

All corporate members of the Association have the right to vote in the Board elections. Votes must be cast at the AGM (no postal vote). However, members unable to attend the AGM may give a proxy empowering another named member to vote on their behalf.

**CANDIDATES ARE INVITED TO SEND A LETTER OF MOTIVATION AND A CURRENT  
CV BY EMAIL TO THE SECRETARY GENERAL ([cr@tii.org](mailto:cr@tii.org))  
BY MONDAY 11 MAY2015.**
